

***Bored being a Glazier on the tools and want to step up and lead your own team? Join this award-winning business with a reputation built on service***

## **Leading Hand – Glass & Aluminium**

- Supplier to high end construction in commercial & residential
- Solid career growth and development opportunities
- Rapidly growing organisation based on simplicity ... quality & service

### ***Our client...***

Is a solution focused glass and glazing company with an emphasis on delivering trusted products with first class service from start to finish. We do this with a diverse range of products and glazing methodologies. Their clients range from renovators, designers, builders and architects looking for specialised products and exceptional service across both the residential and commercial construction sectors.

### ***What they are offering...***

Success should always be matched by the rewards that you deserve, so our client is offering the right person with the industry knowledge, drive and enthusiasm that will ensure success the following benefits:

- Competitive base salary
- Superannuation
- Fully Maintained Tool of Trade Vehicle
- Family flexible working environment

### ***You're Responsibilities***

Based in the Sutherland Shire and reporting to the Commercial Division Team Leader, this role's primary purpose is to lead and manage a team of dedicated and motivated experienced tradesmen. Your key responsibilities will be:

- Influencing and leading on site installation in the most efficient and effective manner.
- A willingness for you and your team to be held accountable for your work ethic and manner.
- Leading the improvement process, increasing site productivity and reducing costs without compromising safety.
- Manage and lead a team of 2 to 4 Glaziers and Tradesmen, ensuring quality and service are the highest priority.
- In this role, leadership is by getting in and making it happen ... you are the leader but also on the tools doing what's required.

### ***What you will bring***

This full-time position will suit someone with the following attributes:

- Qualified tradesperson in Glazing, Shop Fitting or Carpentry
- Site experience within the building and construction industry
- Current manual driver's license - essential
- Well developed leadership skills within a trade-based environment.
- A positive solution focused attitude with a high attention to detail and accuracy
