

Are you an experienced Estimator who wants a new challenge? Join this outstanding reputable business and give your career a boost along.

Estimator

- Australian owned and operated.
- Best known and trusted window and door brand in NSW.
- Significant growth opportunities and career development.

Our client...

Our client is one of the best known and trusted window and door brands in New South Wales. They started operation some 50 years ago and have a strong reputation for producing architectural products of the highest standard. They use advanced manufacturing technology and innovative design solutions. All products are tested for safety, energy efficiency and quality to meet the need of the Australian Standards and their clients.

What they Offer

Believing that reward should always match effort, they are offering the right person with passion and enthusiasm the following:

- Competitive base salary
- Superannuation
- Strong career progression

Your Responsibility

Based in Liverpool Sydney and reporting to the Customer Service Manager, this role's primary purpose is to prepare accurate estimate reports for projects by gathering information, analysing essential metrics, and conducting regular risk assessments. Key responsibilities will be:

- Analyze company data, monitor budgets and prices using software packages.
- Review and assess cost estimates.
- Identify labour, material, costs and time requirements by researching proposals, blueprints, and related documents.
- Prepare detailed cost estimate reports.
- Present complex and detailed reports to management.

What you will bring

This full-time position would suit someone who has:

- Articulate in mathematics and accounting, with in-depth knowledge of research and data analysis methods and estimation systems and quotation software V6.
- Practical understanding of BCA, AS1288, AS2047, fire codes and STC ratings.
- Detail orientated with outstanding organizational skills.
- Excellent communicator and well-developed professional customer service practices.
