Location: Brisbane, QLD

Overview: A performance driven, outcome focussed General Manager with 20+ years of proven experience working in and around the glass processing and architectural glazing sector at the most senior level.

Working from the ground up, this successful senior executive has a wealth of knowledge and experience in Architectural Glass Products and the glazing industry nationally. Supporting his hands on approach to management, he is trade qualified and more recently has completed a Diploma of Business.

A dedicated industry supporter and association contributor, this professional is an energetic and collaborative leader, who aims to motivate staff and colleagues through a consultative and collaborative management style. He has a proven history of positive team building, strong communication and delivering long term profitable growth through successful strategic business development and long-term operational improvements.

If you are looking for a General Manager with high expertise and relationships in glass, this person is a must-have for you.
