Step into leadership as a Glazing Manager — drive quality outcomes and shape Sydney's trusted team and help create greater experiences.

Glazing Manager

- Trusted glass experts delivering tailored solutions across Southeast Sydney since 2004
- Crafting standout spaces with quality glass, expert advice, and precise installation
- Enhancing homes and offices with glazing that meets lifestyle, function, and compliance

Our client...

A leading glass company in Sydney, known for delivering innovative glazing solutions that elevate homes and commercial spaces. With over two decades of experience, the team combines expert craftsmanship, premium products, and a commitment to quality. They are now hiring a Glazing Manager to lead projects, inspire excellence and create greater outcomes.

What they Offer

Being a forward-thinking company that thrives on seeing their people develop and believing that effort should always be rewarded, they are offering the right person with drive and enthusiasm the following:

- Competitive annual salary plus superannuation
- Tools of Trade Vehicle
- Supportive team environment with focus on quality and efficiency.

Your Responsibilities

Based in Sutherland Shire, this role primarily involves leading a glazing team, ensuring quality standards, managing performance, and overseeing complex glass replacement projects. Your key responsibilities will be to:

- Lead and supervise a glazing team, ensuring high-quality work, safety compliance, and efficient project execution.
- Provide ongoing training and development for team members, addressing knowledge gaps and tracking progress.
- Oversee project timelines, budgets, and quality standards while liaising with other departments to ensure client satisfaction.
- Ensure compliance with safety regulations, conduct inspections, and maintain accurate records for documentation and reporting.

What you will bring

This full-time position will suit someone who has the following attributes:

- Proven experience as a Glazing Manager, Site Supervisor, or similar role in the glazing industry.
- Strong knowledge of glazing materials, techniques, and industry standards.
- In-depth knowledge of health and safety requirements.
- Astute with software and remote field management systems.
- Strong leadership, communication, and problem-solving skills.
